The fastest and easiest way to provide your picture is via e-mail at mypic@teddysrainbow.com. If you can't e-mail your picture you can mail a physical photograph to us with your order. We will scan the original and use it to make your selected item and send it back in the package when your product ships. If you mail a picture be sure to use a stiff envelope or stiff paper around the photo to protect it from damage in the mail. Please note, that in most cases we will use our judgement to crop the photo to best fit the design. If you have a specific request such as including the full picture, just the face, etc. please include that information in your e-mail or include a note in your order.

Custom Design or Company Logos: If you wish to have a name badge or badge reel designed using your company logo or incorporating your company name or other picture into a new or existing design, the minimum order size is 5 items. Send an e-mail with your image, logo or your design idea to taviann@teddysrainbow.com. There is no cost associated with having an e-mail sample worked up for your review.

Placing an Order: We aren't picky about how you place your order as long as we have the necessary information for each product. We use a combination of design name, font selection, backing color and backing type to fill your order. Copies of our order form are happily accepted and there is no need to use our official form. There is no minimum or maximum order size, you can order only one product or as many as you need. You can submit your order any of the following ways:

Online: www.teddysrainbow.com

Mail: P.O. Box 1740, Washington, PA 15301

E-mail: order@teddysrainbow.com

Fax: (877) 774-1359 **Phone:** (877) 509-1777

Design Name: The descriptive name shown under each picture in the catalog is the design name. This is how we determine which image goes on your selected product. Many designs are available in various color choices which are indicated in *Italics* under the main design name. Only a selection of our current designs are show in this catalog, please check our website for more design choices.

Font Selection: All personalized products come with two different font choices, Print or Script as shown below. Many name badges have black writing unless the background is dark, in which case the font will be white or a light color matching the design.

Scarlett Elizabeth (Print)

Scarlett Elizabeth (Script)

Backing Color/Type: All of our products have a durable plastic base that holds your selected design. The backing creates a small frame around the outside edge of your product. The various backing color options are shown under their respective product types on the previous page. Backing Type is the pin or magnetic closure choice on our name badges.

Turnaround Time & Shipping: Products are usually shipped within 3 to 5 business days from receipt of the order. We ship all of our products via U.S. Mail so delivery times vary. Shipping rates are always changing so check our order form, website or call for current prices. Canadian orders may take up to two weeks for delivery once they have been shipped.

Payment Methods: We accept Visa, Master Card, Discover, American Express, Pay Pal and check by phone. We also accept money orders and personal checks, however those orders won't be shipped until we receive the payment first. Companies wishing to be invoiced must contact us to set up an account. We do not invoice individuals.

Volume Discounts: For initial orders of 50 or more items, please contact Taviann Justice at taviann@teddysrainbow.com or (877) 509-1777 ext. 6 to discuss available discounts.

Order Mistakes: If you receive your products and discover a mistake, just contact us and we can fix it for you. If the error was our mistake we will replace it at no charge and ship you a new one right away. If the error was not our fault, as a courtesy we can remake the product for a reduced price of \$4.50 which includes shipping charges.

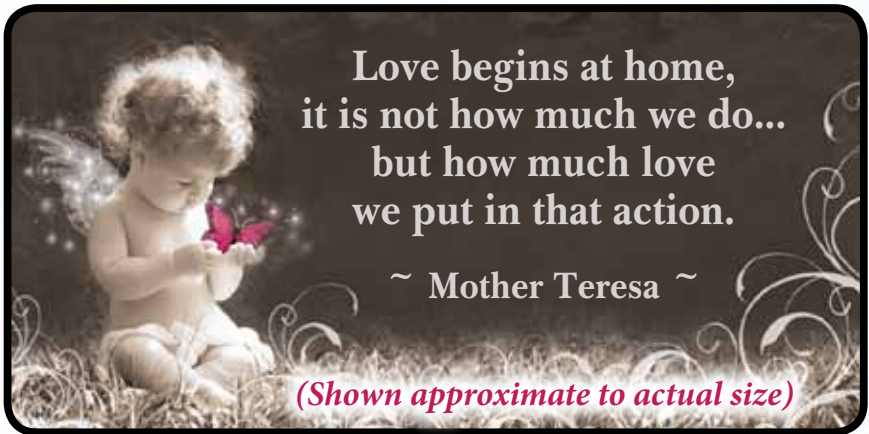

Name Change/Title Change: If you already have our name badges and you have recently changed your name or received a new credential we can make new inserts for just \$4.50 each. Send back your old tags and provide us with the new information and we will make you a replacement insert.

Returns & Refunds: We want you to be happy with your order. If you are not satisfied for any reason you can return your product within 20 days of ordering and we will issue a refund for the product price, less the S&H charges.

Office Hours: Our normal office hours are Monday through Friday from 9 a.m. to 3 p.m. Eastern Standard Time. We do offer extended out of office phone hours on Monday and Wednesday evenings from 3:30 p.m. until 8 p.m. We are closed on weekends, most federal holidays and closed annually from December 23rd until the first business day after January 1st.
